Mastering the One – to - Ones *Results one conversation at a time!*

What if you could:

- become masterful at turning your one to one meetings into great coaching sessions;
- increase your ability to hold others accountable for their results;
- make each conversation a driver for personal and organizational change?

This workshop will allow you to:

- become aware of the psychological process operating in the one to one communication;
- learn new tools for structuring conversations that lead to clarity and to more accountability;
- practice the concepts so that you can be comfortable using the new knowledge as soon as you get back to the office.

The workshop includes:

1. A 3.5 hour facilitated workshop;
2. Materials;
3. Mid afternoon snacks & refreshments;
4. Workshop limited to 12 participants.

Costs:

- \$399 + GST per participant
- \$359 + GST if registration paid by September 30th 2005;

Date & Location:
